This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. 479 HOLYROODHOUSE. A Treatise on the History, Law, and Privileges of the Palace and Sanctuary, by P. HALKERSTON, 8vo, *bds.*, *uncut*, 5s 1831

480 HOMER (Græce), folio, 2 vols. in one, *half calf*, 17s 6d *Foulis*, 1758

481 HORÆ SUBSECIVÆ. Observations and Discourses, 8vo, *rough calf*, 30s *Edw. Blount*, 1620

From Dr John Brown's library, with his initials and autog. of Dr Grosart, inside cover. It is presumably from this work that Dr Brown took the title for his collected writings (see *Blackwood's Mag.* for Feby.). In the "Epistle to the Reader," signed by Blount, he says, "The author of this book I know not;" but on title page is written in an old hand, "By ye Lord Candish, after Earle of Devonshire" (Wm. Gilbert, eldest son of 1st Earl). Lowndes and Watt (who give date erroneously as 1626 and 1720 respectively) enter it under "Blount."

482 HORÆ SUBSECIVÆ, or First Steps to Composing and Conversing on Medical Subjects in Latin, by J. Fletcher, M.D., 12mo, *half calf*, *gt.*, 2s *Edin.* 1822

Texte d'Alde. Edition correcte, assez belle et devenue rare.—*Brunet.* According to Maittaire this is the first of Colinaeus's publications printed in the *italic letter*. To the curious this will be an additional incitement to purchase the work, as Colinaeus is thought, perhaps not very justly, to have surpassed Aldus himself in the italic type.—*Dibdin.*

484 HORATIUS á Joh. Min-Ellio notis illustrata, *front.*, 12mo, *calf antique*, 4s 6d *Rotero.* 1700

Contains hundreds of quaint woodcuts. Title page (in red and black) mounted, and a number of leaves stained, otherwise a good sound copy.

900 VIRGILII Opera. Ex Antiquis Monimentis illustrata cura studio et sumptibus Henrici Justice, 5 vols. 8vo, *fine old marble calf, gilt*, £2, 2s [1757]

A beautiful copy of this celebrated edition, which is *entirely engraved throughout, with numerous portraits, vignettes, &c., by Marcus Pitter.* It is said the editor was nearly ruined by the expense of the publication.

901 VIRGILI Bucolica Georgica et Æneis, royal 4to, *old tree calf, gilt, gilt back*, 15s *Birminghamiae, typis Joh. Baskerville*, 1757

Chef-d'œuvre de Baskerville.—*Brunet.* The genuine first edition, with the misplacement of lines in the 10th book of the Æneis. Dr J. Brown's copy.

902 VIRGILII Bucolica, Georgica, et Æneis, ex editione Petri Burmanni, 2 vols. folio, *old calf, gilt, yellow edges*, 27s 6d *Glasg., Foulis*, 1778

A very beautiful copy, with the book label of Adam Smith, author of the "Wealth of Nations."

903 VIRGIL. Another copy, 2 vols. in one, *marb. calf, gilt*, 16s

904 VIRGILII Bucolica, Georgica, et Æneis, ex editione Burmanni, LARGE PAPER, sm. 8vo, *calf* (*back broken*). Dr J. Brown's copy, 4s 6d *Glasg., Foulis*, 1784

422 MAGOPICO. Memoirs of Magopico, 8vo, *hf. bd., uncut*, 12s 6d *London, T. Warburton*, N.D.

'This Satire, very popular even in Scotland, at least with one party, was composed at the expense of a reverend Presbyterian divine, of whom many stories are preserved. being Mr Pyet, the Mago-Pico of the Tale, minister of Dunbar. The work is now little known in Scotland, and not at all in England, though written with much strong and coarse humour, resembling the style of Arbuthnot. —*Sir Walter Scott's St Ronan's Well, note to Chap. XVI.* It was written by Simon Haliburton, a military chaplain, and Thos. Hepburn, minister of Birsay, in Orkney, and afterwards of Athelstaneford. *Plumbiso*, another character, represents a Mr Ord Spot. All the editions are very scarce.

First Edition. Tomo I. *En Madrid: En la Imprenta de D. Gabriel Ramirez, etc.*, 1758. Tomo II. *En Campanzas, à costa de los Herederos de Fray Gerundio*, 1770. Ticknor says the first vol. was printed in 1758 without the knowledge of the author, and that in twenty-four hours 800 copies of it were sold; but that the second vol. remained for a long time in MS., and first appeared in England and in the English Language in 1772 through the agency of Baretti (*see* No. 317 *following*). The date of vol. ii. shows this to be a mistake. See also *Retros. Review*, vii. 239-251.
